

Dr. Sumita Saha
Fortis Hospital
Kolkata,

Madam,

We don't have enough words
to thank you for giving our daughter smile.
Born at 27 weeks at 1100 gms.

You not only do your job with
excellence & much care but also help us
to get through the most difficult time.

You stayed positive for us, helped
us deal with the raw emotion during the
prolonged period of NICU stay of our
daughter, further followed by hernia operation.

You will always have a place in
our hearts. Thank you so much for helping
our daughter, ARMITA.

Regards,
